

City of Los Angeles
Department of City Planning

PUBLIC OUTREACH TRAINING

Discover the wealth of information that the Department of City Planning has made available thru the Internet.

Learn the dynamics of the various information systems accessible to the public with the intent of assisting and guiding you through the Planning process. Training topics include:

- * Using ZIMAS to view property information and generate various maps, reports and mailing labels.
- * Using our website to view Community Plans, Specific Plans, Historic Preservation resources, Planning Entitlement process, Hearings, Meetings, and Agendas.
- * Downloading departmental forms for your development project.
- * Using PCTS to track the status of Planning cases.
- * Using PDIS to view documents related to Planning cases.

Training will be provided at three convenient locations.
