Z.I. NO. 2487
CITY CENTER AND CENTRAL INDUSTRIAL
DEVELOPMENT GUIDELINES AND
CONTROLS FOR RESIDENTIAL HOTELS

COUNCIL DISTRICT: 14

BACKGROUND:

On September 30, 2019, under the authority granted in the Redevelopment Dissolution statutes, the Los Angeles City Council and Mayor approved a resolution and accompanying Ordinance No. 186,325, transferring the land use authority from the CRA/LA, Designated Local Authority (CRA/LA-DLA) to the City of Los Angeles (City). The City is now responsible for implementing and enforcing the unexpired Redevelopment Plans and associated Design for Development Guidelines and Development Guidelines (collectively known as “DFDs”). The DFD for Residential Hotels in the City Center and Central Industrial Redevelopment Project Areas remain effective until the expiration dates of the respective [City Center](#) and [Central Industrial](#) Redevelopment Plans. The DFD prohibits the demolition, rehabilitation, or conversion of Residential Hotel Unit(s), or the construction of any new development on the site of a destroyed or demolished Residential Hotel unless the applicant complies with the provisions of the DFD.

The goal of the Residential Hotel DFD is to preserve and protect the supply of affordable housing in the City Center and Central Industrial Redevelopment Project Areas.

COMMENTS:

Compliance with the Residential Hotel DFD is in addition to any other applicable regulations including, but not limited to, the Residential Hotel Unit Conversion and Demolition Ordinance (LAMC Chapter IV Article 7.1) and Rent Stabilization Ordinance (LAMC Chapter XV Article 1). Please refer to all ZIs and other tags in ZIMAS. The Los Angeles Housing Department (LAHD) is the presiding department on compliance with the various regulations related to the conversion or demolition of housing units. The City Planning Department is the presiding department on compliance with the Redevelopment Regulations¹.

Note that the property is identified in ZIMAS because the former Community Redevelopment Agency of the City of Los Angeles (CRA/LA) has made the determination that the property is a Residential Hotel when the DFD was first adopted².

¹ As defined in Ordinance No. 186,325

² Adopted June 2006
